Pressing Down Pains

are a sign of serious female complaint, that should have immediate attention.

If you begin in time, you can generally treat yourself at home, without the need of consulting a physician, by the regular use of Cardui, the well-known remedy for women's ills.

Composed of purely vegetable and perfectly harmless medicinal ingredients, being, besides, a gentle, non-intoxicating, strengthening tonic.

WINE OF CARDUI WOMAN'S RELIEF

relieves all female complaints. "My wife," writes John A. Rodgers, of Hampden Sidney, Va., "was nothing but a walking skeleton, from female trouble. She suffered agonies with bearing-down pains, backache and headache. Doctors failed to relieve her, so she took Cardui, and is now entirely cured."

World's Largest Book.

There lies in the British museum the largest book yet printed, a colossal mass of engraved ancient Dutch maps. It takes three men to move it from the glass bookcase in which it is stored in the library of the museum. It is bound in leather, magnificently decorated and is fastened with clasps of solid silver, richly gilt. It is nearly as tall as high and weighs 800 pounds and was presented to King Charles II. before he left Holland in the year 1659.

Why

have a tired liver when Herbine, the only liver regulator will help you? There is no reason why you should suffer from Dyspepsia, Constipation, Chills and Fever or any liver complaints, when Herbine will cure you. F. C. Waite, Westville, Fla., writes: "I was sick for a month with chills and fever, and after taking two bottles of Herbine am well and healthy."

An Ideal of Duty.

To lose faith in men, not in humanity; to see justice go down and not believe in the triumph of injustice; for every wrong that you weakly deal another or another deals you, to love more and more the fairness and beauty of what is right; and so to turn with ever-increasing love from the imperfection that is in us all to the perfection that is above us all—the perfection that is God—James Lane Allen, "The Choir Invisible."

Cured Hemorrhages of the Lungs.

"Several years since my lungs were so badly affected that I had many hemorrhages," writes A. M. Ake, of Wood, Ind. "I took treatment with several physicians without any benefit. I then started to take Foley's Honey and Tar, and my lungs are now as sound as a bell. I recommended it in advanced stage of lung trouble." Foley's Honey and Tar stops the cough and heals the lungs, and prevents serious results from a cold. Refuse substitutes.

Grand Leader,

MORRIS KOHMAN, Prop. Madisonville

Nation of Pie Eaters.

We are a nation of pie eaters. The pie is a national institution, almost a part of the national constitution. The great American pie belt grows wider every year. In Havre and Marcellles, France, one can see the neat printed phrase: "Pie Americaine," and on the carte du jour of the Mena hotel, just under the shadow of the Sphinx, the homely entry: "Pie de Pompon a la New York."

Notice to our Customers.

We are pleased to announce that Foley's Honey and Tar, for coughs, colds and lung troubles is not affected by the National Pure Food and Drug law as it contains no opiates or other harmful drugs, and we recommend it as a safe remedy for children and for adults.

On Lending Books.

"Why is it, I wonder," mused the woman philosopher, "that people always resent it when you ask them to return a borrowed book within any period shorter than a year? I would rather lend money than a book, for there is some chance of getting that back, but you might as well give a book to the average person as to go through the form of lending it."

Indigestion.

With its companions, heart burn, flatulence, torpidity of the liver constipation, palpitation of the heart, poor blood, headache and other nervous symptoms, yellow skin, foul tongue, offensive breath and a legion of other ailments is at once the most widespread and destructive malady among the American people. The Herbine treatment will cure all these troubles. 50c bottle.

Source of Sympathy.

There is a first model of beauty and agreeableness, which consists in a certain relation between our own nature and the thing with which we are affected. Whatever is formed on this model interests and delights us; whatever differs from it is always displeasing.

"Health Coffee" is really the closest Coffee Imitation ever yet produced. This clever Coffee Substitute was recently produced by Dr. Shoop, of Racine, Wis. Not a grain of real Coffee in it either. Dr. Shoop's Health Coffee is made from pure toasted grains, with malt, nuts, etc. Really it would fool an expert—who might drink it for Coffee. No 20 or 30 minutes tedious doctoring. "Made in a minute" says the doctor. Sold by J. F. DeVlyder.
